Through the doors of life I travel,
meeting each with opened mind,
searching for a special reason
that the doors should open wide.

For the love of life my treasure,
which lies behind the doors,
I seek throughout my ages
for the secret, nothing more.

Some doors, I see them open
in the midst of my new eyes,
but when I try to pass them,
they close, like blackened skies.

I try to jar them open
with the force of curious hands,
but only with the strength of time,
will the doors, like love, expand.

And when I finally find the key,
with this then I shall find,
the door does open slowly,
to relieve my cautious mind.

But the hinges are still rusty,
only time alone will see,
when the doors which open vastly,
that the secret lies in me.

ANYTOWN

TOP TO BOTTOM: Kim Roberts, Hanah Antokol, James Malenfant, Miriam Field, Pat Largent, Bonnie Thomas, and Virginia Varner.

Anytown is a one-week summer camp which brings together high school sophomores and juniors from all cultural, ethnic, racial, religious and economic backgrounds. Delegates learn from and about one another through discussion groups, role playing, hearing specially selected speakers, and panal discussions. Cortez students who indicate an interest in Anytown are interviewed, teacher recommendations are acquired, then a panel of faculty members choose the delegates.

ADVISORY COUNCIL

FRONT ROW: Bob Finnegan, Tom Ohlin, Gordan Gray, Maureen Dennis. BACK ROW: Denise Janing, Mr. Barber, Mr. Kurtzman, Mr. Levine, Kizzie Marshal, Mr. Hammer.

The advisory board council consists of students who are elected by the student council. They are basically elected for their work in school activities. The council is the voice of the student body at Cortez. They meet with the administrators and help to solve some of the student problems.

MAYORS YOUTH ADVISORY BOARD

The Mayors Youth Advisory Board was originally created in 1969 by an informal act of the Phoenix City Council. The board, a responsive group, has developed itself in the areas of ecology, entertainment, education, and more recently has been instrumental in their work on different and very important projects.

Citizen's Transportation Advisory Committee

Working with other people on this committee Miriam Field studies the needs of the city of Phoenix. Freeways, buses, roadways and the beautification of roads in Phoenix have been discussed and given to the Phoenix City Council in the form of recommendations. Bike paths for all new roads being built was suggested, along with expression for the need for bike paths in more parts of the city. Bus lanes for express buses and a grid system for buses along with lower fares has also been recommended.

Since I have been in the United States, I have learned many new things. It is an interesting experience to live in another country different from my own.

When I go back to Columbia, I'll take many happy and unforgettable memories.

I'll never forget Cortez and all the friends that I had here.

Your Friend Always,
Claudia Borda

As a foreign student from Germany I am enjoying very much the spring semester 1975 at Cortez High. Because I am exposed to an education that differs greatly from that of Germany, I am enriching my academic background immensely Teaching, counselors, administrators and students have extended a friendly welcome to me. For this reason I never feel though I am a stranger. When I return to Germany in June, I will take back with me many memories and impressions which will be of value to me in the future. My name is Mirta Spezzi and I am from Tucaman, Argentina. I've been here since January and I'll leave in July.

I like this school and especially the people. I'm very pleased and very glad with them. I've found a lot of good friends. The way of teaching and even the way of living is different, but I am getting used to it, and enjoying my stay here. I like the "Colt's Home!"

VARSITY WRESTLERS

This season's team began with a great deal of anticipation. Most of the Varsity wrestlers were junior varsity last season. As the year progressed, many of the wrestlers came into their own. Some of the most improved wrestlers this season were Dave Peterson, Matt Rossman, Ron Warren, Dave Headley and Rob Tucker. The team was lead this year by Steve Feckley, Mike Candelaria, Mike Larrabee, and Mike Lebet. Steve Feckley lead the team in both pins (9) and wins (22). The upper weight of Matt VanBuskirk, Rob Tucker, Steve Feckley, Mike Candelaria and Steve Gauthier were the most consistant winners on the Varsity.

Nest years team could be the best team ever, if the wrestlers dedicate themselves from the beginning.

BOYS TENNIS

This years tennis team is another one of Cortez's outstanding teams. Although no one player is extremely outstanding the team is consistantly strong from the top to the bottom of the latter.

Since the other teams around the state are tough, our team doesn't look for any miracles, but the experience and eagerness should make this year something to boast about.

VOLLEYBALL

Girls sports have come a long way since the time not so long ago, when volleyball was considered almost a novelty sport. A chance for the girls to get some exercise and have fun. Volleyball is still both of those, but has finally begun to take on the demanding varsity sport.

The 74-75 girls volleyball team stressed conditioning this year with exercise and running a part of every practice. Being in top athletic fitness is essential to the performance of an athlete, and the girls who wanted to come out, wanted to be good athletes and the hours of practice each day after school started, would, be worth it, because a fine team was in the making.

The girls had a rough start against an older, more experienced Paradise Valley, defending division champions. The Colts were soundly trounced, but came around again for the Apollo game, where the score stood tied all the way to 19-19 before the Hawks managed to pull a head to 21-19 and ultimately also defeat the Colts. But now the Colts had a taste of winning and played the rest of the season well, ending up 5-3 in league play, and 6-5 overall.

The 5-3 record was good for a second place tie with Glendale in division play-offs, with Cortez getting third berth and facing in the opening round a Sunnyslope team which had been beaten only by Paradise Valley. Cortez lost to Sunnyslope in a well fought match, the Vikings ended up second to the Trojans in the division and third in the state behind Paradise Valley. So Cortez now looks ahead to a fantastic 75 season. With only 2 starters graduating, and an excellent J. V. up and coming, Miss Austerman has potential champions in the making for at least the next 3 years. And if the attitude and effort exhibited by the girls continues, state champions is not a remote possibility.

The Colts began the season against Presscott. The Colts played as good a game as could be hoped for, beating Presscott 8-0. Dave Van Ness pitched the game, allowing 2 hits in the win. He struck out 10 and walked none. The team's attitude, hustle, and desire are excellent and if they can be maintained thru the season, the Colts can look for a very successful season.

VARSITY CHEER

Debbie Bell, Denise Holt, Linda Sasenick, Toni Assini (Captain), Nancy Higgins, Laurie Cooke, Lisa Dunn.

Being a cheerleader doesn't begin with the first football game. It starts with tryouts in May. After final selections are made, practice gets under way. Then after several weeks of 6 a.m. practices, final preparations are made to attend "National Cheerleaders Association" camp.

In competition with seventy squads from other schools, this years Varsity took first place honors for the district. At camp, many new cheers were learned to help raise spirit and enthusiam for Cortez.

Lots of hours and a great deal of hard work was involved in preparation for football games, assemblies, basketball games, Club Day and various school activities. The year closes with the selection of a new squad for 1975-76.

DRAMA CLUB

I'm supposed to be here so I drew me in — Dilbie Bell

"Our activities so far this year have included two all-club parties, giving 1, 1,000 cans of food to St. Vincent De Paul at Thanksgiving, 2,000 pieces of clothes to the West Side Project at Christmas, card sale for trip to Disneyland in the spring, winning the aluminum can drive, winning stocking contest, had a car wash several bake sales, giving gifts to the sick and those who have helped us, the production and planning of our three school plays, and the planing of our most elegant event-the Markus Banquet-representative of every type of student. It is certainly a "melting pot", not an obvious clique. So many kids (over 160 paid members) have found a "home", a place they feel they belong, a center point where they can contribute of themselves and see positive results; as in the production of a play.

We are convinced that Drama Club is not a success because of its large number of members; but, that it has a large membership because it is a successful club and offers a wholesome, learning, friendly, and active experience." Donn B. Belcher, Sponsor and W. Pat Largent, President.

Sally, I'm glad I
have known you in high
school and will always
remember the days in
Philosophy. You are a very
kind person and I think you
will be a wonderful nurse..
The nursing field is so fantastic!
Have a great Senior Year

Mr. William Jones, Superintendent

Mr. Fred H. Bingham
Principal

What did I do yesterday? What did I do last year? and what did I do five years ago? All of us, at some time in our lives, like to look back and reflect upon the good things that have happened to us. This annual is one of the ways we as students, teachers, and administrators can look back at the past and enjoy and relive these days over and over.

Many things can be accomplished during your years in school and I hope your accomplishments are ones of which you can be proud.

Thank you for making this one of Cortez best years and I wish you much success and happiness in the future.

Hello!
You are doing a fine job as a typist. Just keep at it and you will be one

LETTER FROM THE EDITOR

This year was my first year on the yearbook staff and everyone elses too. We had one disadvantage, we started from scratch, but we had one big advantage, we had a yearbook class.

We all worked together. I discovered that everybody worked, freshman through seniors, it didn't matter what class rank anybody was. This helped the yearbook represent the whole student body better.

I must extend special thanks to Mr. Hutchison, for being a fantastic advisor, Paula Griffith, those are her great cartoons, Glenn Baxter, photographed the city for our division pages, Miss Dunn and her typing classes who did that treacherous job of typing the class sections and of course all of the fantastic people on the staff itself.

Sally,
I am glad you started coming back to church again. We missed you! I hope you were good at school this year. I hardly ever see you at school anymore! I won't be seeing you next year! Hurray! Good luck as a senior next year! Keep with God + keep happy!

Luv ya,
Linda "75"

Sally,
Glad to see ya back at church. Hope ya have a great summer and a great rest of school.
Luv in Christ,
Ross Ashmore

Sally,
Even though I don't go to Cortez, I think you're a pain at times when I do see ya. Stick with Jesus + you'll win win win!!!
Luv in Christ,
Pam Majka

Dear Miss Sally Jo Baker,
I think of this as an honor to write in Miss Baker's yearbook. Hope you had Fun this year and continue to have Fun (even without school) See you at St. John's. The Lord's Blessings to you.
Love,
John Bay LARSON

Sally Jo,
Hope this summer is a good one. Stay close w/Christ and don't forget to write. Hope we will a class together next year. Thanks for all the times you've had so pretty good times. I hope you get to know more people before school is out. Have a great summer!
Love,
Susan Armstrong

P.S. Be good this summer!

Sally Boy
Howdy ol' class
What a bore. I've known you since grade school and I seem to get to know you better all the time. You're pretty swell (as well as outlaws)

Sally,
Well it was
nice having you
in my class. Hope to see
you next year. Have a good
summer & many years to come.

Sally you spell your name wrong. It
should end with ie like mine. But
anyway, wasn't it fun being picked on by
Mr. Helms this semester. This is one
of two classes where there are two
Sallies so when ever the teacher
calls on a Sall I pretend his
talking to the other one. See
you next year Bye
